

We make it EASY – 4 simple steps! This Switch Organizer has everything you need to switch your checking account to Dedham Savings.

OPEN YOUR NEW CHECKING ACCOUNT AT DEDHAM SAVINGS

Stop by any of our convenient locations and open your account with a Customer Service Representative, or open your account online at www.dedhamsavings.com.

If you open your account in person, our Customer Service Representative will explain which Overdraft service is best for you, enroll you in Online Banking and Mobile Banking, order your debit card, and even set up your first five payees in our Bill Payment program.

CHANGE YOUR DIRECT DEPOSITS

Provide your Employer, Social Security Administration, and/or your Retirement Plan Provider with your account number and the Dedham Savings routing number: **211371722**.

CHANGE YOUR AUTOMATIC WITHDRAWALS

Many companies and service providers allow you to make these changes online. If any of your providers currently use your debit card number for automatic withdrawals, remember to provide your new card number once you receive it.

CONGRATULATIONS, IT'S TIME TO CLOSE YOUR OLD ACCOUNT!

After verifying all of your checks have cleared and all direct deposits and automatic debits have successfully been transferred to your new account, it's time to close your old account. Simply let your former bank know that you wish to close your account.
